

Operate smarter and faster with MEDSENSE™ turnover kits from Paneffort.

SAVE MONEY

Every penny counts. Get the MEDSENSE cost advantage.

Keep your procedures on budget with MEDSENSE for a fast, efficient turnover.

SAVE TIME

MEDSENSE turnover kits save your team valuable time.

MEDSENSE items are single-use helping reduce the risk of cross contamination during room turnover.

QUALITY COUNTS

MEDSENSE turnover kits are best in class quality.

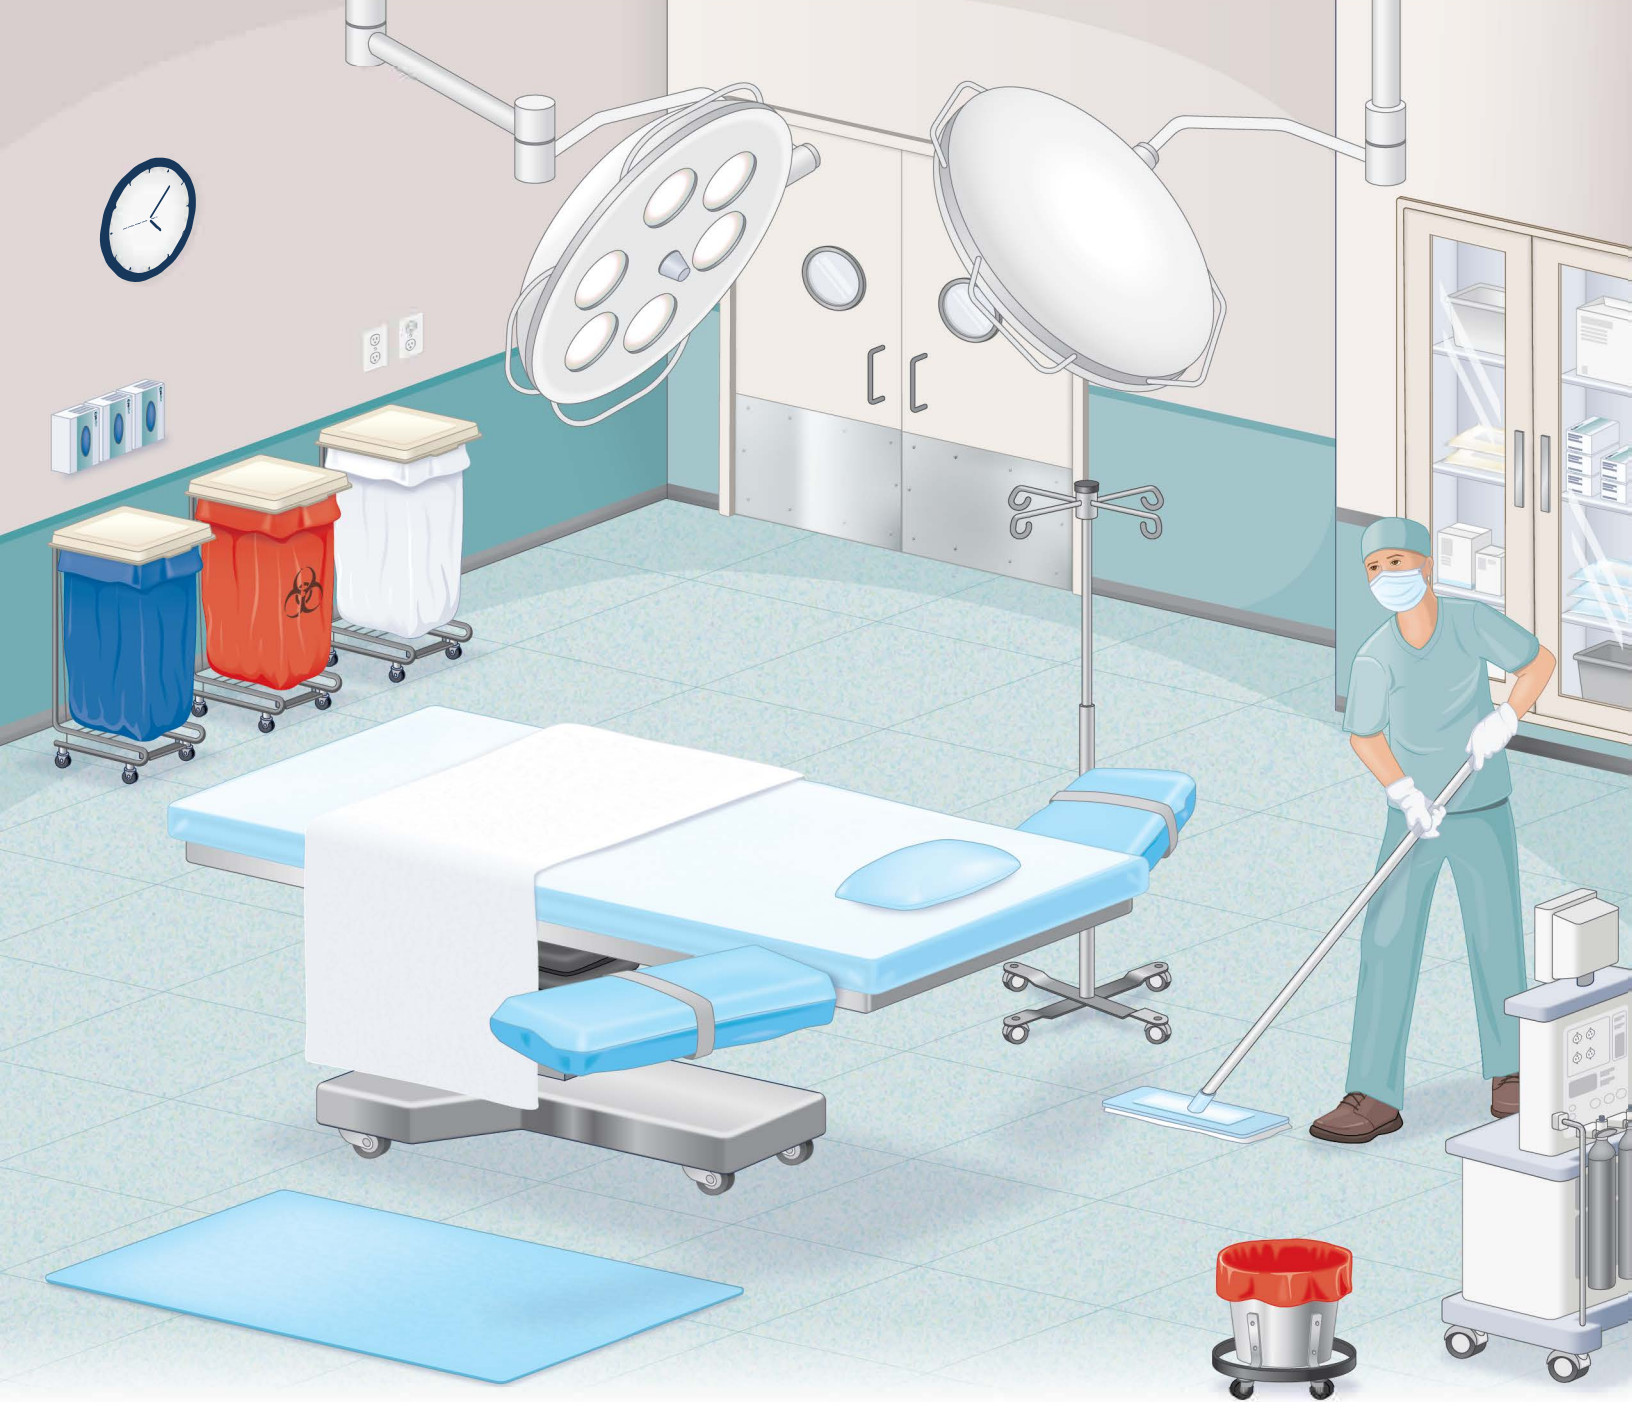

MEDSENSE turnover kits are high quality products you can count on to meet your clinical demands.

Switch your OR to MEDSENSE turnover kits.

Our MEDSENSE clean up and room turnover kits help you improve your turnover results. Our standard kits are designed to meet your acute or outpatient surgery facility needs. MEDSENSE has you covered.

From setup to cleanup, improve operational efficiency in your surgical suite. Our high quality products cost less than reusable textiles while helping minimize the risk of cross contamination and improving infection control.

MEDSENSE turnover kits put the power of choice at your disposal. Save time & money with our standard stock items or create a custom kit that fits your needs.
